RECIPIENT'S/LENDER'S TIN
00-0000070

PAYER'S/BORROWER'S TIN
427-00-0001

PAYER'S/BORROWER'S name, street address, city, state, ZIP
Vivian Calloway
11 Ashcroft Hill Road, Anytown, NY 10001

Account number (see instructions)

Lender statement (synthetic intake note):
box 1 is the mortgage interest RECEIVED in 2025 on the loan secured by the borrower's main home. It flows to Schedule A line 8a — this household ITEMIZES, so the interest is deducted rather than lost inside the standard deduction.

The lender does not know whether the borrower itemizes, and this form is identical either way.

Boxes left blank carry no amounts in this synthetic scenario.

1 Mortgage interest received from payer(s)/borrower(s)	**18,420.00**
2 Outstanding mortgage principal	**418,000.00**
3 Mortgage origination date	**2016-06-24**
4 Refund of overpaid interest	
5 Mortgage insurance premiums	
6 Points paid on purchase of principal residence	
7 Address of property securing mortgage (check if same as borrower's)	**[X] same as borrower's**
8 Number of properties securing the mortgage	
9 (Other)	
10 Real property taxes (lender-disbursed, informational)	
11 Mortgage acquisition date
