Contemporaneous Written Acknowledgment — Charitable Contribution

Tax year 2025 · SYNTHETIC charity letter · IRC §170(f)(8) — NOT an IRS information return

DONEE ORGANIZATION (name, address)
Anytown Community Food Bank (SYNTHETIC)
240 Grange Street, Anytown, NY 10001

Organization EIN
00-0000071

Tax-exempt status
501(c)(3) public charity

DONOR (name, address)
Vivian Calloway
11 Ashcroft Hill Road, Anytown, NY 10001

Date of letter
January 14, 2026

We gratefully acknowledge the following contributions received during 2025:

Cash contributions (monthly gifts and the annual appeal)	**6,200.00**
Household goods and clothing donated to the thrift store	**1,340.00**

(donor-determined fair market value of used items — the charity does not value them)

TOTAL CONTRIBUTIONS ACKNOWLEDGED
7,540.00

Required statement (IRC §170(f)(8)):
NO GOODS OR SERVICES WERE PROVIDED IN RETURN FOR THESE CONTRIBUTIONS. A cash gift of $250 or more is not deductible without this contemporaneous written acknowledgment; the donor must have it in hand by the filing date. The charity states the CASH amount; it does not appraise donated property — the fair market value of non-cash gifts is the donor's own determination (and, above $5,000, needs a qualified appraisal, which this household's gift does not reach).

PREPARER NOTE (synthetic): non-cash gifts of MORE THAN $500 require Form 8283, Section A, with the return — a much lower threshold than the $5,000 appraisal rule, and a separate requirement from this letter. This demo does NOT model Form 8283: the amount is deducted on Schedule A line 12 with no 8283 attached. Disclosed, not hidden.
